GRAD GOWN SIZE CHART

Measure each child with shoes on from the floor to the top of their head. If you are measuring 6-9 months prior to graduation it is a good idea to add 1/2" to the child's height.

If you have any questions call one of our friendly and helpful Customer Care Representatives toll free at 877-472-3738 or find us online at: RhymeUniversity.com

Place this edge on the floor.
